**ERA Coalition - Report: ERA in Nevada** - Jeri Burton, President, Nevada NOW

- Nevada was the only state with an ERA ballot initiative in the midterm elections to amend its Constitution.
- As Question 1, voters amended the Nevada Constitution to prohibit the infringement of rights based on race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry or national origin.
- Vote Breakdown: Yes, 58.6 percent; No, 41.4 percent
- Won with a strategy of getting candidates and the public talking about the initiative by giving it a high profile. Marches in parades (3) with appearance in other public events/celebrations (7).
- Educating the public, targeting the community college population
- Major resistance came from anti-transgender and anti-abortion activists
- Great support from the unions, including SEIU and the Culinary Union. They put vote ERA #1 on their fliers.

# Reproductive Choice

On June 24<sup>th</sup> the Supreme Court ruled that the constitution does not provide a right to abortion. The ruling in Dobbs v. Jackson Women's Health Organization allows states to regulate abortion and state legislatures can pass laws that restrict abortion before viability. On the same day, a federal judge lifted an injunction on Ohio's heart beat bill which was signed into law in 2019.

In short, Ohio has banned abortions at approximately six weeks gestation. If any cardiac activity is detected, abortion is prohibited except when there is serious risk of death or substantial impairment of a major bodily function. The bill makes no exceptions for rape or incest.

*BPW/OH's Legislation Platform on Health: Actively work to strengthen and enforce legal protection for full access to all health care services including reproductive choice, funding for research into the protection for women's health care and educational programs concerning women's health issues*

# Writing Advocacy Postcards

**1 A Professional Beginning:** Using a proper salutation can really help you set a polite and informative tone.

- Use "Dear Representative Brown" or Dear Senator Brown

"I am writing about HR 8, the **Bipartisan Background Checks Act of 2021**, currently before the Senate. I encourage you to approve this legislation as written on the grounds that ...."

**2 Informative Yet Not Too Wordy:** Identify yourself as a constituent. Focus on key points, make your requests clear, and cite the bill number (HR 8).

- Explain the potential impact on women -- and you if relevant. Use "I" statements and reference specific examples.
- **Write about one issue** and explain how you want the recipient to address your concerns.

## Example:

"I am a constituent writing about HR 8, the XYZ Act, currently before the Senate. This legislation will ensure that women will receive complete medical information regarding options and access to reproductive healthcare. Please vote for HR 8!"

*Dear Senator Portman*

*Please co-sponsor SJR1 and actively work for the passage of the ERA as the 28<sup>th</sup> Amendment to the Constitution. Everyone should have equality of rights under the law that cannot be denied or abridged on account of sex. This adds to the legacy you leave in the Senate.*

## Reproductive Choice

Write to your Ohio Representative and Senator to express your concern about these bills and that you do not want them to vote for any bill that decides when life begins, controls access to all reproductive healthcare options with no restrictions or criminalizes patients or doctors for taking advantage of any healthcare options recommended by their doctors for their situation.

### **Senate Bill 90-**

Prohibit impeding breathing or circulation of family members. (eg. Strangulation). Domestic violence committed in violation of the new prohibition generally is a third degree felony

Dear Senator \_\_\_\_\_

*SB90 is in the Judiciary Committee you serve on. I am writing to request that you encourage the committee to bring this legislation to the Senate floor for a vote. Strangulation has been shown to cause death days after the attack when complications for swelling occurs. This kind of violent act needs to be included in domestic violence and be a felony. Please work with the Senate to pass SB90 and give domestic violence survivors the justice they deserve!*

### **House Bill 121**

Eliminate sex crime spousal exceptions; permit spousal testimony. The exceptions to the sex offenses that currently apply are rape, sexual battery, unlawful sexual conduct with a minor, gross sexual imposition and sexual imposition. Ohio is one of 12 remaining states that haven't amended the marital or spousal rape exemption law.

Dear Representative \_\_\_\_\_

*HB121 is the Criminal Justice Committee that you serve on. I am writing to request that you encourage the committee to bring this legislation to the House floor for a vote. 76% of the states have amended the marital and spousal rape exception law. Ohio is not one of them. It is time that married women have the same rights and protection as single women regarding rape, sexual battery, gross sexual imposition, and sexual imposition. Please work with house members to pass HB121 and give married women legal recourse and establish new norms and behaviors for married men.*

# Senate Bill 90-

Prohibit impeding breathing or circulation of family members

**SUMMARY** ♣ Expands the offense of “domestic violence” to also prohibit knowingly impeding the normal breathing or blood circulation of a family or household member by applying pressure to the throat or neck, or by blocking the nose or mouth, of the family or household member and provides special penalties for violations of the prohibition.

♣ Specifies that in a prosecution of “domestic violence” in violation of the above prohibition, it is not required to allege or prove that the family or household member suffered physical harm, serious physical harm, or visible injury. ♣ Creates as an affirmative defense to a charge of “domestic violence” by violating the above prohibition that the act was done to the family or household member as part of a medical or other procedure undertaken for the victim’s benefit.

**Penalties** Domestic violence committed in violation of the new prohibition generally is a third degree felony and, when it is a third degree felony, the court must do one of the following: (1) except as described in clause (2), the court must impose a mandatory prison term of 6, 9, 12, 18, 24, 30, or 36 months, or (2) if the victim is a pregnant woman and the offender, in committing the violation, caused serious physical harm to the “pregnant woman’s unborn” or caused the “termination of the pregnant woman’s pregnancy” (both defined as in existing law, unchanged by the bill), the court must impose a mandatory prison term of 9, 12, 18, 24, 30, or 36 months.4 But if the offender previously was convicted of domestic violence or of two or more “offenses of violence” (defined as in existing law, unchanged by the bill), a violation of the new prohibition is a second degree felony, and the court must impose a mandatory prison term that is one of the minimum terms prescribed for a second degree felony – those prescribed minimum terms are 2, 3, 4, 5, 6, 7, or 8 years.

**Definition of “family or household member”** The existing definition of “family or household member” used in the law regarding the offense of domestic violence, which applies to the bill’s new prohibition, specifies that “family or household member” means:7 (1) any of the following who is residing or has resided with the offender: (a) a spouse, a person living as a spouse, or a former spouse of the offender, (b) a parent, a foster parent, or a child of the offender, or another person related by consanguinity or affinity to the offender, or (c) a parent or a child of a spouse, person living as a spouse, or former spouse of the offender, or another person related by consanguinity or affinity to a spouse, person living as a spouse, or former spouse of the offender, or (2) the natural parent of any child of whom the offender is the other natural parent or is the putative other natural parent. As used in that definition, “person living as a spouse” means a person who is living or has lived with the offender in a common law marital relationship, who otherwise is cohabiting with the offender, or who otherwise has cohabited with the offender within five years prior to the date of the alleged commission of the act in question.

# House Bill 121

Eliminate sex crime spousal exceptions; permit spousal testimony

Ohio is one of 12 remaining states that haven't amended the marital or spousal rape exemption law.

HB 121 focuses on two things: eliminating exceptions to certain sex offenses that currently apply if the victim is the spouse of the offender and expanding the proceedings in which a person may testify against the person's spouse to include prosecutions for any of the sex offenses modified by the bill.

The exceptions to the sex offenses that currently apply are rape, sexual battery, unlawful sexual conduct with a minor, gross sexual imposition and sexual imposition.
