

"Make new friends, but keep the old. One is silver, the other is gold."

*The BPW Ohio Retirement Foundation
cordially invites you to become a Friend of the Foundation.*

What? A Friend of the Foundation is someone who gives financially to the Foundation on an annual basis in order to support the grants and scholarships that the Foundation provides. This allows the work of the Foundation to continue over the years and supports those Ohio residents who have entered their "Golden Years" and to enhance their quality of life.

Who? Any individual can become a Friend of the Foundation. Locals and Regions can also be Friends of the Foundation.

How much does it cost? The annual monetary contribution to become a Friend is \$25.00. Once an individual, LO or Region has made this minimum contribution, there are other levels of giving that are also renewable annually. These additional gifts further help support the work of the Foundation. No matter what level of giving is selected, contributors will be recognized as a Friend of the Foundation at Conference and with a Friend card to carry with you or display.
