Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

We passed out our cards, marketing BPW.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

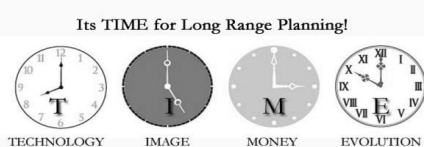

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

We passed out our cards, marketing BPW.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

We passed out our cards, marketing BPW.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair

Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

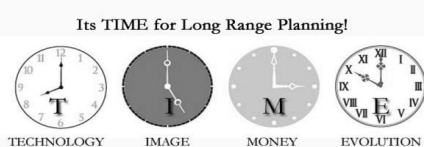

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Leona had an opportunity to attend the Buckeye Girls State Event this year with the Vermillion American Legion Buckeye Girls State Chair.

Leona Phillips was able to catch up with one of the young ladies that Vermillion BPW had sent.

It was great to see the Buckeye Girls State program in action.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

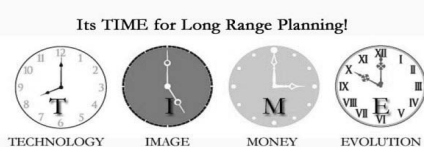

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

1st Place Prize: From Appalachian Hula Academy of Ohio—Hula session for your group at your location!

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

We passed out our cards, marketing BPW.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

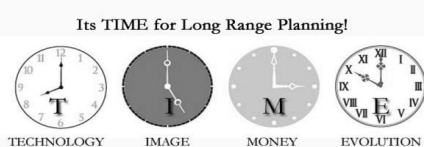

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

- March 19, 2016** **DEADLINE** - Submit Region ID Representative's name, picture and Biographical Information Sheet to the State ID Chair, Charisse Kellums.
- April 23, 2016** **EVENT** - BPW/OHIO Individual Development Speak-Off Competition at the Leadership Training, ID & YC Competition and Legislative Platform meeting.

On May 21, 2015 Linda Wiegand, Liz Burrell and Leona Phillips attended the 2015 New Leadership Ohio Dinner at the Fawcett Center at the Ohio State University. We had the opportunity to network with the young women. New Leadership Ohio educates Ohio college women about politics and policy-making to actively engage them in the political process. We passed out our cards, marketing BPW.

On May 27, 2015 PSP Connie Allgire and President Leona Phillips attended the Women's Lobby Day in Columbus. There was a presentation from Representatives who work to promote issues that affect women.

Pictured is a group of us who had just attended a session. The program was facilitated by Representative Teresa Fedor.

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

Women's Equality Day

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

Membership Chair 2015-2016, Carolyn (Jeffers) Hrinda

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?

As State Parliamentarian I am expected to know our Bylaws and Policies and Procedures and be able to reference the appropriate document and section when a question of governance arises. President Phillips included in your leadership manual information about motions and general parliamentary procedures. Every chair, region president and local organization president has (or will) received a copy of this manual. The information about parliamentary procedure is provided so region and local organization meetings can be run efficiently and ensure every member has an opportunity to have their voice heard. Parliamentarians at all levels are there to assist their president. State Bylaws and Policies and Procedures as well as the Model Region and Model Local Organization Bylaws are available on the website. President Phillips has worked diligently to put more information on our new website and I encourage all of you to go to www.ohiobpw.org to check it out. You will be surprised at the new look and all the information available at the click of your mouse.

Individual Development (ID) Chair 2015-2016, Charisse Kellums

The focus of Mentoring by President Phillips fits in with the premise of ID. What a nice way to mentor and encourage. I need to ask each Region President to help me. One of the goals I set with President Phillips was to attend as many ID training classes as possible. Please send your Region ID Chair's contact information to me at bpwsponsor@gmail.com. If you are facilitating ID training for your Region or Local please let me know. I would like to attend and help.

The ID Program provides training and practice opportunities in public speaking, general communications and job performance skills. Introduces participants to the mission and vision of Business and Professional Women (BPW).

The program consists of two parts:

The **FIRST PART** is facilitator led training of 14 modules and will take approximately 14-16 hours of time. The **SECOND PART** of the program involves selection of an ID representative to represent BPW/OHIO. The participation for a local is not limited to one Individual Development candidate to participate in the Region ID Competition. Each local may send more than one candidate to their Region competition; however, in order to compete at the Region level, each candidate must be a BPW member.

At the Region competition, one candidate will be selected to represent that Region at the BPW/OHIO Individual Development Speak-off at the BPW/OHIO Leadership Training on April 23rd 2016. The participant selected to represent BPW/OHIO will be given the opportunity to present their speech at the State Conference on May 21st 2016 at Sawmill Creek Resort in Huron.

Contact your Region Individual Development Chair for the course sessions scheduled for your Region. Locals and Regions can offer any combination of the modules for their class sessions. Please understand, to compete in the Speak-off in April 2016 the individual must have completed all 14 modules sometime in the three-year period before the Speak-off competition (2013-2016).

Information needed to compete in Region and State Speak-offs are on the BPW/OHIO website ohiobpw.org

DATES TO REMEMBER

We passed out our cards, marketing BPW.

2014/2015 Conference

Joyce M. Davis Distinguished Member 2015

Carol LaGore, Vice President of Chillicothe BPW

If you had met Joyce M. Davis, which I did at state conventions in the 80's, you would have been impressed by her dedication to BPW, her grace and dignity and wonderful sense of humor as well as always being there to help and impart knowledge.

I was surprised that I was given the award and very appreciative to be recognized at conference.

Powerful Women Were in Action! Conference Summarized

A milestone conference; the 95th Annual BPW/OHIO State Conference was successfully held in Columbus over 2 ½ days in mid May. 67 BPW members, 14 Past Presidents, 1 National Representative, 14 Vendors, 5 Seminar presenters and 5 Speakers!!

Friday opened with two morning seminars; “Protect Yourself from Identity Theft” and “Sleep Apnea – What You Should Know.” Lunch speaker Liz Ferro, Founder of Girls With Sole!, spoke about how the organization empowers young women through sports. The third seminar of the day “Meditation in Motion – An Introduction to Qigong” followed lunch. BPW/OHIO business was conducted at the Board meeting prior to the First Timers Event. Dinner featured Jo Steigerwald, Development Officer for Seeds of Literacy. Jo shared what Seeds of Literacy provides to individuals within Cleveland and Cuyahoga County through their volunteer tutors. BPW learned about the importance of literacy programs and the impact of literacy within our local areas. A Townsend Library (95+ books) was donated on behalf of all BPW/OHIO members. The dinner centerpieces made of books and book bags were also given to Jo to take back to Seeds of Literacy’s new East Cleveland location. President Kellums opened the Business Session calling on the U.S. Marine Corp Color Guard to post the colors. A donation was made to the U.S. Marine Corps Reserve Toys for Tots program. Keynote Speaker, Roslyn A. Ridgeway, owner Ridgeway Empowerment International provided the steps to “Unlock Your Power Factor and Win in Life!”. She let us know how much she enjoys returning to her home state of Ohio. The Candidates’ Forum was held and the 2015-2016 State Officers were elected. The evening was capped off with the 95th BPW/OHIO Anniversary Time Travel. Conference Chair Charisse Kellums and 9 other members took part in a skit traveling through the decades. Each decade highlighted BPW and World events. The comedic banter between the speakers brought laughter to all! Along the journey Charisse was presented (sometimes she took it) an article of clothing or an item representing the decade. At the end she was outfitted as a woman through time!

Saturday breakfast hosted the Vendor Fair. 17 vendors presented a 30 second commercial to the members and then we had time to shop. Members attended two seminars prior to lunch, “The Hammerin’ Handy Woman” and

“Mastering Change – How to Navigate and Thrive in Uncharted Waters”.

Before lunch there was once again time to shop! During lunch, author Pam Spence relayed stories from her book *Glad Rags Inspiring Clothes and the Women Who Wear Them*. The Second Business Session took place; Legislative Platform Report, PAC Report, Membership and Foundation awards were presented and we heard from two speakers. Trecia Kimes-Brown, Vinton County Prosecuting Attorney, BPW/OHIO PSP and McArthur BPW member shared her BPW and professional journey with what she calls the Power of Perseverance.

Roslyn A. Ridgeway, Chair BPW Foundation Board of Trustees brought us up to date on the focus and importance of the BPW Foundation. At the conclusion of the Business Session the BPW/OHIO Past State Presidents joined President Kathy Kellums to cut the anniversary cake.

Dinner began with Carol LaGore, Chillicothe BPW being announced as the Joyce M Davis Distinguished Member recipient. Both the Individual Development and Young Careerist speeches were presented. Incoming President Leona Phillips, the 2015-2016 Executive Committee and Board of Directors were installed. After dinner everyone was invited to mingle at celebrations for Kathy, Leona and the newly elected officers.

Sunday began with breakfast and the Issues Management award presentation. The theme “Power of Remembrance and Growth” was used for the Mariwyn Heath Memorial Service. The Closing Business Session was the time for Resolutions, Women’s Retirement Foundation awards, the 2016 Conference Presentation, and the passing of the President’s pin between Kathy and Leona. We closed the 2015 Conference with well wishes for a productive 2015-2016.

On Election Day in 1920, millions of American women exercised their right to vote for the first time. It took activists and reformers nearly 100 years to win that right, and the campaign was not easy: Disagreements over strategy threatened to cripple the movement more than once. But on August 26, 1920, the 19th Amendment to the Constitution was finally ratified, enfranchising all American women and declaring for the first time that they, like men, deserve all the rights and responsibilities of citizenship.

In 1971 a Joint Resolution of Congress designates August 26th as

"Women's Equality Day".

This date was selected to commemorate the 1920 passage of the 19th Amendment to the Constitution which granted women the right to vote.

WHEREAS, the women of the United States have been treated as second-class citizens and have not been entitled the full rights and privileges, public or private, legal or institutional, which are available to male citizens of the United States; and

WHEREAS, the women of the United States have united to assure that these rights and privileges are available to all citizens equally regardless of sex; and

WHEREAS, the women of the United States have designated August 26, the anniversary date of the passage of the Nineteenth Amendment, as symbol of the continued fight for equal rights: and

WHEREAS, the women of United States are to be commended and supported in their organizations and activities,

NOW, THEREFORE, BE IT RESOLVED, the Senate and House of Representatives of the United States of America in Congress assembled, that August 26th of each year is designated as Women's Equality Day, and the President is authorized and requested to issue a proclamation annually in commemoration of that day in 1920, on which the women of America were first given the right to vote, and that day in 1970, on which a nationwide demonstration for women's rights took place.

TIME It seems like just yesterday we were sitting in groups gathering ideas for a long range plan to take BPW "Back to the Future" under the guidance of President Trecia Kimes-Brown. The results of the data were compiled and in May, 2009 a written Long Range Plan was published and presented to the membership as a guide for the future viability of BPW.

TIME has passed and each year's team of leaders have worked to im-

prove our organization. Certainly change is hard and things do not always go as planned, but we must continue to press forward. It is time to implement new changes to better BPW/OH.

WIA In 2013 President Phyllis Riccadonna created the BPW/OH Women in Action for the Future. She saw that we were not evolving, in fact, we are losing members and losing locals.

The data from both the TIME Long Range Plan and the Women In Action Committee had many of the same responses to the same questions. It was clear that progression was desired and necessary. We are proud to say it has already begun, starting with technology, and transforming continues as our goal for this year.

Plans for our year have evolved. New improvements include the creation of our new website. Here you can download information, access needed forms, and make payments via credit card.

2015-2016 State Fundraiser

Quilt Making Project

We have many creative minds and great talent within our membership and it was a pleasure to personally share my idea for this fundraiser.

The purpose behind this project is to have all BPW locals come together in creating two quilts. Each local participates by crafting two 12 X 12 inch pieces (leaving room for 1/4 seam) using any design that depicts what your local wants to share with the state.

You can embroidery, cross stitch, picture transfer or some other creative form of design, but they must be washable. Both pieces can be the same or you can make them different. Your local's name will be

Yes, you can... register and pay for August and November State Meetings, ONLINE! Yes you can...pay your Membership Dues with your credit/debit card, ONLINE!

And, we are not stopping there. BPW Members want more so our Web Master has been hard at work. Go to the website while you are reading this (www.ohiobpw.org) and look at the new calendar with all state activities. Check out the ability you have to stay in touch with each other via our new Blog. Your local and region can post meetings and events, sharing your great ideas with all members. Your local's president can ask your region president to start this for you right now!

And there is MORE! You will also find a link to our Facebook page and Twitter account. Every document that you need is there, or we will get it there.

Coming soon are Fireside chats via web conferencing. ALSO members soon will have the ability to login and update personal information, learn about other members, and strengthen this organization with real time networking. You will be able to register for the April Leadership Training and May Conference, and don't forget, you can now pay online.

Our goal this year is to give you, as a member, the tools to enhance your social networking and opportunities to grow your local, your business, your connections. This is a working website so please let us know what you would like to see.

embroidered under your piece to identify your local!

At the 2016 conference, the winner of the raffle will take home a "one-of-a-kind" fine work of art.

Raffle tickets are \$5 for 1 or \$20 for 5.

Please have all quilt pieces delivered to me by OCTOBER 31, 2015

STATE FINANCIAL REVIEW COMMITTEE

I present to you the members who have been appointed to review the financial records for BPW/OHIO to include the State records, Conference 2014-2015 records, and PAC records

Lora Manon, PSP, Chair
Faye Spratley, PSP
Diana Gibbens

President Elect 2015-2016, Mary Ann Dutro

Moving BPW into the future is very important, I want to continue a lot of the technology changes that Leona has been working hard on. Board representation across the State of Ohio is important, hopefully I will be able to visit many of the local meetings and meet the members.

Moving this group forward is a task for all members and we need to work together for the betterment of BPW/Ohio. Currently I am working on getting next year planned. I am getting excited about some of the ideas and can't wait to share with you at the 2016 Conference.

Vice President 2015-2016, Linda Wiegand

Veep Vibes! The summer is rapidly disappearing and yet BPW/OH business rolls on. As the new VP of BPW/OH my responsibilities are to all the Regions and Locals as your liaison to the State. Please keep me informed if there are any changes within your Region and/or Local Organizations whether it is an officer change or even as minor as an e-mail change. One thing I have learned over the years is that there will always be change in our lives and you can either fight it or embrace it. I choose to embrace it. We have many positive changes happening in BPW/OH this year and there is great potential for growth with our organization. For example, please check out the new website, www.ohiobpw.org. It is highly interactive!

I am planning on attending the WPEA conference in North Carolina next weekend and look forward to sharing what I learn from our BPW sisters in other states. Join us in Dayton in August for our next State Board meeting and come grow with us!

Treasurer 2015-2016, Brenda Anders

Boy, if someone would have told me that I was going to have to have my picture taken so much as a state officer I might have had second thoughts about running for Treasurer. All kidding aside, I am truly glad that I did. I have met many women throughout the state that believe in BPW, our Legislative Platform and the programs we support.

There is so much to learn as the Treasurer and Database Manager. A new laptop computer and printer were purchased and all of the programs we use were updated. The old laptop has been cleaned of all the old programs and data and will be given to Kathleen Sweeney, the Recording Secretary, to use. The old printer will be used by Leona.

Thank you all for being so patient with me. I want to thank Leona Phillips, Karen Prelipp, Mary Ann Dutro and Kathy Kellums for helping to get me on track. I am sure I will be asking more questions. I know that this year will be busy but fun. I am really looking forward to it.

Recording Secretary 2015-2016, Kathleen Sweeney

I am so excited to be serving on this committee with President Leona Phillips leading the way. I have been a member of BPW for 9 years and have had the opportunity to attend most of the conferences since I joined. I have served as a page, timekeeper, led the First Timers Session and for the last two conferences headed up Support Services. I have had the opportunity to serve as church board secretary and head up many different programs. I also led local fund raising programs for Children's Miracle Network.

I have two specific goals this year. One to help increase membership and the second is to encourage members who have never attended a conference to do so. What better way to be an advocate for BPW than come to a State Conference and learn what we are accomplishing to better the lives of women. Thank you for giving me this opportunity to be a part of preserving the history of BPW.

Women's Retirement Foundation President 2015-2016, Sharon McTigue

What does BPW/OHIO Women's Retirement Foundation offer to our membership? Why is it important? What is its purpose? As with many large organizations, there are many parts which collectively make the whole organization better. BPW/OHIO Women's Retirement Foundation President serves on the BPW/OHIO Board of Directors. The Board of Women's Retirement Foundation is composed of BPW Members, including the BPW/OHIO Vice President, President-Elect, President and Immediate Past State President.

It is important to know that Retirement Foundation is a separate entity (a 501c3); it exists thanks to the financial support of BPW/OHIO members through their individual, local, or region donations.

Retirement Foundation was established in 1968 for the purpose of assisting our senior population through our locals and Regions. The Retirement Foundation annual Grants program is a way for each local to do this - apply for one (currently \$500) Grant for qualified senior facility (a non-profit (501c3) or government facility that supports non-profit/low income subsidized senior housing) in your area. In case of multiple applications from a Region, a special appointed committee decides which facility will receive the \$500 Grant. The awards are made at Conference. This award is an opportunity for EACH LOCAL to make a difference in their community through BPW Women's Retirement Foundation.

At the 2015 May Conference, \$500 Grants were presented to the following:

- Region 1, Ashland BPW, Mill Run Place, for outdoor patio items for all residents to enjoy;
- Region 2, Berea BPW, Quarrytown, for chairs and furniture for community room;
- Region 3, Coshocton BPW, Peartree North for table and chairs for outdoor common area;
- Region 4 locals did not apply;
- Region 5, Lebanon BPW, Bentley Woods Senior Housing, Farmer's Market and nutritional event for residents.

Women's Retirement Foundation is supported by your donations – the Grants provide support to the elderly population in your community. Choose your qualified facility and complete the application now. Don't miss this opportunity to support your community through your BPW local. The application form and other material are on the BPW/OHIO website.

In addition to the Grants, BPW/Ohio Women's Retirement Foundation provides State Training Nursing Assistant scholarships. Since STNA training sessions are held at various times during the year throughout the state of Ohio, the Board has approved four (4) Quarterly \$500 scholarship awards. The application is on the BPW/OHIO website. Please note the deadlines – the scholarship will be awarded each quarter to a qualified applicant. The scholarship is open to BPW and non-BPW members across the state. The scholarship winners will be announced in the OBW and at Conference. For multiple quarterly applications, an appointed committee will select the winner.

At our recent May Conference, the following STNA scholarship winners were announced:

1st Quarter, Elizabeth Sigler, Region 1 Ashland BPW; 2nd Quarter, Brooke Miller, Region 1 Ashland BPW; 3rd Quarter, Sandra Balog, Region 2 Columbiana BPW; 4th Quarter – no scholarship awarded, no applications submitted.

Please publicize the opportunities this program affords our membership to help others. THANK YOU for your continued support! Additional information and forms are available on our state website or feel free to contact me directly.

We need to ignite our flame for women. First, we need members and a lot of them. In order to make a difference we need power, and power comes in numbers. I encourage each of you to do your best to involve women in your community in what you do and invite them to help the organization. If your local fears change add a new local that may have different traditions but share in goals. We have numerous issues facing women today.

As I read the article, "Top 18 Issues Challenging Women Today" by Sonia Pressman Fuentes, I again recalled our purpose and learned some in the process. The article reminded readers of the homeless and how many breadwinning women lead families. The article then pointed out why there is a gap in equal pay. It pointed out that the Republican Senate stopped bills that could have made a drastic difference for this cause in 2014. In conjunction, Fuentes pointed out the 270,000 assaults annually and the anti-abortion measures as well as us having the highest maternal mortality rate among industrialized nations and a lack of affordable child care and leave options as well. We still have human trafficking, a lack of leaders in fortune 500 companies and the Senate and House of Representatives. All of this and we still have not ratified the Equal Rights Amendment to the Constitution or the CEDAW Treaty, the international bill of rights for women. We are in fact the only industrialized country that has not ratified the CEDAW.

We need to attract members, remember our cause and take action towards equality. Invite women to join you in your efforts and to join our organization. Consider your invitation to them as an opportunity to something great. They can refuse or take their torch.

Webmaster 2015-2016, Wendy Hollinger

I am a new BPW member and so glad I had the opportunity to attend the Conference and meet some of the women who make this organization great! I am your 2015-16 Webmaster, and am enthusiastic to be working with Leona, your Board, and Program Chairs to make the BPW/OH website everything it can be. It is a work in progress, so we need your suggestions, and will appreciate your patience as we add new features.

I want to encourage you to interact with the website now! Your Region Presidents can post events on the Calendar and news in the Blog. We may open access to Local Presidents or members, but for now, send your information to your Region President to place on the website. Everyone can comment on Blog posts, so visit the website and add your voice to the conversation. Check out the Calendar to learn about events throughout the state. The Photo Gallery is still being configured, but will eventually display photos in albums, so you can lookup your club or a specific event. We are especially pleased that you can now make payments online for Member Dues or Events. You will need to have your member ID and your credit or debit handy when you begin the process.

The BPW/OH website is www.ohiobpw.org. You may have memorabilia with a previous URL. That URL is preferred, but we don't currently have control of it. We may be able to restore it in the future.

If you see something on the website that's not working, contact me at Wendy@PhoenixGraphix.us so I can get it fixed. If you have ideas for how we can make the BPW/OH website better, let us know. This is YOUR website, and your involvement will help us make it the most useful website it can be for all members.

Why do we have a State Parliamentarian? Do we need one at the region or local organization level?
